JETOUR T2

EXPLORE BOUNDLESS THRILLS  
WITH THE JETOUR T2

***YOUR ULTIMATE 4X4 SUV  
EXPERIENCE***

Introducing the Jetour T2 4X4 SUV, where the spirit of adventure meets modern luxury. Designed for thrill-seekers, this 5-door, 4-cylinder 2.0T powerhouse redefines outdoor driving with its rugged capability and refined aesthetics.

# Technical Specification

▀ The Jetour T2 measures an impressive 4785mm in length, 2800mm wheelbase and offers spacious interiors for an indulgent travel experience. Also, the 39° approach, 25° ramp, and 30° departure angles help you cope with all kinds of difficult terrain conditions. Its 4-cylinder 2.0 Turbo-charged engine delivers a powerful 390 Nm of torque through a 7-speed DCT transmission, ensuring a smooth and efficient drive no matter what the terrain.

# Hardcore Styling

- ▶ **Expandable Feature Tailgate:** With more cargo space and easy access to the storage compartment, the Expandable Feature Tailgate fuses form and functionality into one elegant design solution.
- ▶ **Magic Electric Door:** Secure, and an advanced system that eliminates the need for conventional 'locking' systems, the Magic Electric Door opens and closes with little effort and a smooth, quiet action.
- ▶ **High-Strength Steel Body and Rugged Design:** The Jetour T2's steel body ensures safety and durability to handle the most challenging terrains. The rugged design showcases a tough and adventurous SUV style with bold lines.

BODY STRUCTURE

# Powertrain

- Propelling this innovative SUV across any terrain is a ferocious 2.0 Turbo-charged engine, delivering outstanding 390 Nm of torque coupled by a 7 DCT transmission for a smooth driving experience.

## 4-Wheel Drive Mastery

Jetour T2 offers a formidable combination of features designed to enhance your outdoor experience. With its BorgWarner 6th generation 4-wheel drive system, T2 empowers enthusiasts to conquer diverse terrains, pushing the boundaries of adventure.

The intuitive multi-function display screen effortlessly keeps you informed by providing real-time data on essential metrics. With a choice of seven driving modes, you can customize your driving experience according to the terrain.

# Innovative Technology

▶ **15.6 Inch High-Resolution Color Touch Screen:** integrates all the features in one clear and user-friendly interface. for an immersive driving and passenger experience.

▶ **Sony Sound System :** Create the best soundtrack to your adventures, played with perfect clarity and crisp sound quality through a 12-channel Sony speakers.

▶ **Snapdragon 8155 Smart Chip:** Customized control is provided by the Snapdragon 8155 Smart Chip, a next-generation advanced cockpit solution that supports a wide range of functions. The single-screen concept has multichannel capability to create the ultimate smart car.

▶ **Ventilated Seats:** Providing you a comfortable and refreshing driving experience by enhancing airflow and reducing heat buildup.

## Comfort & Convenience

- ▀ **Atmospheric Lighting:** A new approach to in-car illumination results in a softer, less intrusive Atmospheric Lighting system that can be tailored to your specific preferences through the interactive cockpit control system.
- ▀ **Skylight:** The Jetour T2's panoramic skylight enhances your driving experience by flooding the cabin with natural light, providing a spacious and airy feel while offering stunning views of the surroundings.

PANOROMIC SKYLIGHT

# Intelligent Safety

- **Automatic Emergency Braking:** Jetour T2 utilizes advanced technology to automatically apply the brakes in emergency situations, enhancing collision avoidance.
- **Adaptive Cruise Control:** Maintains a safe following distance by automatically adjusting the car's speed to match the flow of traffic.
- **Airbags:** Comprehensive airbag system strategically placed throughout the car for enhanced passenger protection in the event of a collision.
- **540° Panoramic Parking System:** This cutting-edge technology provides a 360 degree panoramic view. With advanced sensors and real-time imaging, ensuring safety and effortless parking.
