

GENEROUS PROPORTIONS

- 4720mm, 1710mm cross-class length and height
- 1900mm three-dimensional depth, 1500mm body lateral space
- ≥ 2745mm, 1608/1603mm ultra-stable longitudinal wheelbase, transverse wheelbase

- Featuring a new wing-shaped front grille with smart DRL Matrix LED
- Massive 20-inch alloy wheels which complements the elegantly sculpted wide body

- X70 FL enjoys an even stylish rear with a revamped rear bumper
- Adding to its sporty character are trim double exhaust tips and rear diffuser.
- Smart LED tail lamp setup with integrated turn indicators and retro reflectors

Features an ultra-wide angle 62 inch panoramic sunroof that gives a feeling of enhanced space and ventilation

- Powered by a 1.5L Turbocharged engine
- Efficient fuel consumption
- Paired 6-Speed DCT transmission providing smoother mobility
- Dual-Drive modes offering versatile drivability

- Independent Macpherson front and Multi-link rear suspension for an all-terrain mobility
- Guaranteed high-speed stability through wider 1608/1603mm track, Traction Control and Electronic Stability Control
- Auto hold with Hill-Start assist for an improved overall safety

- Elegantly designed interior offering a blend of high quality material with class leading comfort
- The 360 degree soft-touch interior complemented by chrome accents adds to greater comfortability

- ► Have a fully automated experience with X70 FL's advanced digital cockpit.
- Get in-depth vehicle information with 12.3-inch HD digital instrument panel
- Enjoy seamless multimedia experience with a sharp 10.1-inch HD touch infotainment display
- On-the-go connectivity with multifunction USB front interface

The Perfect Family Companion

- With three rows, for up to 7 seaters, X70 FL provides optimal comfort and massive space
- Rear AC vents, with middle armrest and cup holder for improved practicality
- ▲ 40/60 Split-folding rear seats offer great cargo capacity
- ISOFIX-Child seat mounts for added safety
